President's Message

Symbiosis in the last three decades has strived for excellence in education and future prospects of students joining Symbiosis. Amongst all 32 institutes that range from kindergarden to postgraduate programmes, a student is central to Symbiosis. One of the major driving forces in establishing SNAP Test is to provide convenience and ease of a common entrance test for admissions to the Symbiosis institutes offering postgraduate education.

Symbiosis has been rated among the top Management & Technology postgraduate institutes in India time and again and has a vast network of alumni excelling in their fields. Symbiosis undergraduate institutes too are recognised with top rankings at national level.

The first stepping stone – the SNAP Test, will remain one of the significant components of enhancing quality in admission process to these institutes; while it provides the comfort and convenience to students of appearing for a single test. It is offered in major cities of India so that students all over can take the test in a city closest to their homes.

I welcome all students and wish them a bright future!

Padmashree Dr. S.B. Mujumdar
President and Founder Director, Symbiosis
Chancellor, Symbiosis International Educational Center (SIEC) Deemed University

Joint Director Message

Dear Student,

The Symbiosis National Aptitude Test is a test conducted by the Symbiosis Test Secretariat to judge the aptitude of the student for Post- graduate courses.

This test is conducted in many cities for the convenience of the students and of course of the parents too. This one single test makes you eligible for all Postgraduate courses of Symbiosis. I wish you all the best and welcome you to be part of the Symbiosis family.

Dr. Vidya Yeravdekar
Joint Director, Symbiosis Society

SNAP Test for Symbiosis Postgraduate Programmes

Symbiosis National Aptitude (SNAP) Test is a common written test for the admission processes of Symbiosis postgraduate institutes. These institutes are either affiliated to SIEC Deemed University or approved by AICTE. SNAP Test is conducted under the aegis of SIEC Deemed University.

It is a mandatory written test for admission into any postgraduate programme at Symbiosis. However, it is only the first step. Each institute has its own selection process and a student aspiring to do higher studies at Symbiosis needs to do the following:

Stage-1: SNAP Test

- Register online at www.snaptest.org
- Follow the instructions for payment of Test fee of Rs. 700/- on this website.
- On closing of Registration, print "Admit Card" from the website.
- Paste candidate's photograph on the Admit Card.
- Bring the Admit Card on which the candidates photograph is pasted and a Photo Identity to the Test Centre.
- Appear for the Test.

Stage-2: Submit Application form to a Symbiosis Institute of your choice.

- Purchase a prospectus & application form as per a chosen institute's instructions given on its website.
- Fill in the application form completely and submit to the institute.
- You can apply to more than one Symbiosis institute.

Stage-3: Attend the call for further selection process of the chosen institutes.

- Each institute has its own weightages for arriving at a cutoff, depending on its focused field. For example, SIMC may have lower weightages for Quantitative Section while SCIT or SICSR may have a higher weightages for the same section.
- The institutes will announce a short list for attending further selection process.
- The individual institutes as per their schedules will announce Short List & Waiting Lists.
- For details of selection process and schedules please refer to the prospectus of respective institutes.

Important:

- The mere fact of scoring in SNAP Test does not automatically entail a candidate to be shortlisted for further processing by the affiliated institutes. Each institute may have its own parameters such as weightages, academic background, work experience etc.
- While adequate care is taken in ensuring that there are no mistakes in reading the answer sheet by the machine, there is no provision of revaluation of the answer sheet of any candidate.
- The scores published by the SNAP Test Secretariat shall be final and shall not be subject to any appeal or revaluation.
- The SNAP Score card will be available on the web site for the period of one month after the date of declaration of result (up to February 8, 2007)
- Symbiosis Test Secretariat would not be held responsible for postal delays in case send by the speed/ registered post/ courier of Demand Drafts.

SNAP Test Structure

SNAP Test duration is 120 minutes.

SNAP Test is an objective test and has 165 questions. Each question has 4 responses. Candidate should choose an appropriate response. It has 4 sections. In three sections each question carries 1 mark and in the one section each question carries 2 marks. Each wrong answer attracts 25% negative marks.

The four sections are:

Sr. No.	Section	Number of Questions	Total Marks
1.	General English: Reading Comprehension, Verbal Reasoning, Verbal Ability	40	40
2.	Quantitative, Data Interpretation & Data Sufficiency	50	50
3.	General Awareness: General Knowledge, Current Affairs, Business Scenario	40	40
4.	Analytical & Logical Reasoning	35	70
	Total	165	200

How To Register For SNAP 2006

Step 1. Register for SNAP Test at www.snaptest.org this will generate your SNAP ID. For different modes of payment different payment Challan formats are created. Choose a payment mode and print a Challan online.

Step 2. Pay a non-refundable fee of Rs. 700/- according to the payment mode. You have 3 choices.

CASH:

- This Challan is in 3 parts. Pay Rs. 700/- in cash at UTI Bank branch in your city. Refer to the list of branches on the website. The bank will return two parts of the Challan to you. One of them is the receipt for you.
- Sign the Symbiosis copy of the Payment Advice Form and send it to the Collection Centre at,

Symbiosis National Aptitude Test Secretariat

Symbiosis Infotech Campus, Plot No.15, Rajiv Gandhi Infotech Park, Hinjewadi,
Pune – 411 057 Maharashtra, India
Phone: 020-22934049 / 50

OR

Blue Shift,

Dignity Centre, 21, Abdul Razack Street,
Saidapet, Chennai – 600 015

- Get a demand draft for Rs. 700/- from any Bank in favour of “Symbiosis National Aptitude Test” payable at Pune.
- Sign the single copy of the payment Challan and send it to the Symbiosis Test Secretariat only at,

Symbiosis National Aptitude Test Secretariat

Symbiosis Infotech Campus, Plot No.15, Rajiv Gandhi Infotech Park, Hinjewadi,
Pune – 411 057 Maharashtra, India
Phone: 020-22934049 / 50

ONLINE PAYMENT THRU CREDIT CARD:

- You may pay directly through either Master or Visa card online. Follow the instructions on the website.

Step 3. Admit Card should be printed from the website. This will be operative on closing of registration on December 5, 2006 till December 16, 2006 midnight. Ensure the following.

- Print the Admit Card online
- Paste your own photograph on the on-line Admit Card.
- Bring the Admit card with the photograph to the Test Centre in addition to a photo-identity. An acceptable photo identity is any one of
*Passport * Driving license *College / Institute identity card, *Credit card with photograph.
- At the time of the written test, it is mandatory to produce the photo identity as described here. Symbiosis Authorised Person will verify and authenticate your Admit Card against the photo-id.
- Please preserve this Authenticated Admit Card for further selection processes of individual Institutes.

Test Cities

SNAP Test is conducted in 27 cities. A candidate may choose one city. The center and its address will be informed on the Admit Card.

1. Ahmedabad
2. Bangalore
3. Bhopal
4. Bhubaneshwar
5. Chandigarh
6. Chennai
7. Delhi
8. Faridabad
9. Gurgaon
10. Guwahati
11. Hyderabad
12. Indore
13. Jaipur
14. Jamshedpur
15. Kanpur
16. Kochi
17. Kolkata
18. Lucknow
19. Mumbai
20. Nagpur
21. Nashik
22. Noida
23. Patna
24. Pune
25. Surat
26. Thane
27. Vishakapatnam

Symbiosis reserves the right to change or allot a city other than the one requested in the event of the requested city not being available for any reason. No change of Test city will be permitted.

Guidelines

1. Reach the Test Centre latest by 1:00 p. m. The test procedure will start at 1:30 p.m. Candidates reaching after 2:00 p.m. will not be admitted.
2. Bring the following to the Test Centre:
 - a. **Admit Card:** without which you will not be allowed to take the test.
 - b. **Photo identity:** Any one of: *Passport *Driving license *College/Institute identity card *Credit card with photograph.
 - c. Blue/Black ballpoint pen.

Cell phones, calculators, watch calculators, alarm clocks, digital watches with built in calculators/ memory etc. will not be allowed in the examination hall.

3. Occupy the seat allotted to you by verifying the SNAP ID written on the desk and indicated in your Admit Card.
4. The Test Invigilator will check your Admit Card.
5. The test booklet will be distributed around 1:45 p.m. When you get the test booklet, make sure that the booklet is in sealed condition. If the seal is found broken or tampered with, please bring this matter immediately to the notice of the invigilator.
6. At 2:00 p.m. the Test Invigilator will instruct you to open the seals of the test booklet and commence answering the test.
7. Check immediately that all the pages of the booklet are in order. In the rare event of the Test Booklet being defective, bring it to the notice of the invigilator immediately who will arrange for the replacement of test booklet if required.
8. You will get two hours from 2:00p.m. To 4:00 p.m. to answer the questions. Though the test will have several sections, you are free to work on the sections in any order.
9. You are not allowed to leave the Hall till the test is over and until the Invigilator collects the answer sheets and Test Booklet at 4:00 pm. You will be allowed to leave the hall only after the answer sheets of all the candidates in your hall have been collected and accounted for.
10. Candidates found using any unfair means will forfeit their chance of being considered for admission and will be debarred from receiving SNAP scores.

SYMBIOSIS INSTITUTE OF BUSINESS MANAGEMENT (SIBM)

Introduction History / Mission / Vision

Symbiosis Institute of Business Management (SIBM) goes beyond giving you a Management Degree. It prepares you for a high flying career as a top corporate leader equipped with the wherewithal to occupy the very top echelons of the corporate world. Scores of SIBM alumni are already holding leadership positions all over the world and making important decisions that have global impact.

SIBM's penchant for consistently producing business leaders stems from over 29 years of excellence in the field of management education and from a host of innovative initiatives that assist the management student at various stages of his/ her life. The institute offers a unique platform to the students, encouraging conceptual understanding and providing the right focus based on the industry needs.

SIBM is the fountainhead brand of Symbiosis. SIBM has been consistently ranked amongst the top B-schools across the country. The July 2006 issue of Business Today and India Today in its B schools survey has placed SIBM 4th in the country.

MISSION

To make SIBM better and better in terms of excellence in education, research, service to industry, society and students.

VISION

To become a premier business school recognized globally for its excellence in academics, intercultural solidarity and understanding and for its valuable contributions to industry, society and students.

2. Infrastructure (Library, Lab, Canteen, Club, etc.)

SIBM boasts of wi-fi enabled campus and state-of-the-art infrastructure for its students. All these facilities go a long way in ensuring productive campus life and provide a perfect ambience for academic pursuits. SIBM will be a residential B-school from 2007 - 2008 academic year.

Classrooms

All lecture classrooms are well equipped with the latest audio visual facilities.

Computer Lab

The Computer lab with broad band connectivity to the Internet and Intranet.

Library

SIBM has a splendid reference and lending library with over 21,000 books, internet based resources, reports, journals, periodicals, CDs, Video Cassettes.

New Campus

SIBM's all new residential campus at Lavale village is a model educational campus of the city. The sprawling premises consists of Central Library, Auditorium, Conference Hall, Canteen, Health Care Centre, Area for Recreation Activities, Shopping Area, Guest House, Swimming Pool & Staff Housing.

Health Care Centre

The Symbiosis Institute of Health Sciences (SIHS) is an in house Health Care Centre exclusive to the staff & students of the various institutes of Symbiosis. Each student is insured under the Medi-claim & Road Traffic Accident Policy.

SIHS also provides an in house modern state of-the-art health club & fitness centre with a view to facilitate a holistic development of the students' mind & body.

Hostel : It is a residential B-school **Fees :** Approx. Rs. 75,000 (including mess charges)

3. **Placements :** This year all placement records were broken for Summer and Final Placements at SIBM. All students were placed in just 8 hours and many companies had to return back empty handed for the remaining days of the campus recruitment programme. The average salary for the year was Rs. 7.25 lacs p.a.

Some of the major breakthroughs of the year were Goldman Sachs, Maruti, KPMG, Nike and Standard Chartered Bank, Whirlpool and Dupont, which recruited students in good numbers.

Director, SIBM

SYMBIOSIS INSTITUTE OF COMPUTER STUDIES AND RESEARCH (SICSR)

Introduction

Symbiosis Institute of Computer Studies and Research (SICSR) was established in 1985 and is today a leading centre of computer education in India. SICSR, (constituent of Symbiosis International Education Centre, Deemed University) offers following graduate and post graduate programmes.

- ❑ Bachelors in Business Administration (BBA – IT)
- ❑ Bachelors in Computer Applications (BCA)
- ❑ Masters in Business Administration (MBA – IT)
- ❑ Masters of Science (MSc – CA)

Additionally, SICSR also offers a doctoral level Ph. D. programme.

Vision

It is the primary responsibility of the privileged few to share the knowledge and resources with the rest for the advancement of the nation and the world.

Mission

To create and advance, to impart and propagate and to apply computer knowledge for the sustained growth of the individuals and society in the field of Computer and Management.

Infrastructure (Library, Lab, Canteen, Club etc.)

Six fully equipped labs with over 200 computers, latest licensed software and with structured cabling cater to the needs of the students at SICSR. The campus is WiFi enabled and can be accessed 24 x 7 and is secured with RADIUS server and Certificate Authority. SICSR has 24-hour access to screened Internet through 2 redundant 1 MBPS leased lines. To avoid the misuse of Internet SICSR is equipped with the latest content filtering and Firewall. The institute is in contract with Trend for its anti virus and security needs. Equipped with facilities like trained staff, flexible timing, Intranet for knowledge transfer and sharing is one of the best in its cadre.

SICSR library has over 12,500 books and several Indian and foreign journals and technical magazines to feed the inquisitive young minds.

Hostels

SICSR has limited hostel facilities for students. Senior students and staff help the student get descent accommodation for the; database of PG accommodation in the vicinity of 3 KM is provided on our web site.

Programmes offered

❑ MBA (IT): Master of Business Administration (Information Technology)

The MBA (IT) programme is designed keeping in mind the current industry needs in the software product and service segments. The program builds on the latest Information Technology tools and methodologies as the foundation. Further, the program focuses on issues related to Information Management and Business Process Analysis and Design, in the extended enterprise environment. The students can select programme to develop their skills in the areas of their interest.

Students spend full-time three semesters on campus and subsequently spend one semester in industry working on real life projects.

❑ MSc (CA): Master of Science in Computer Applications

A two-year full time postgraduate degree programme

The programme is conducted on trimester pattern, having 6 trimesters. First four trimesters are on campus and the last two trimesters are for Industrial Training.

This programme will equip students with knowledge highly relevant to emerging technologies. The course aims to provide a comprehensive framework for understanding by integrating theoretical foundations with extensive practical work.

The programme offers following areas of specialization

- Software Development
- Systems Administration
- Image Processing
- Embedded Systems

Eligibility

MBA (IT): Graduates possessing 50% marks in any faculty of any Statutory University

MSc (CA): Graduate with minimum 50% marks in any discipline from Statutory University.

For Embedded System Specialization: The students must have the subjects, Electronics or Computer Science at Graduation level

For Image Processing Specialization: The students must have mathematics at the Graduation level

* Exam fees will be charged separately * fees are likely to be revised

Intake

90 students for each course

Reservation for Defence / Industry sponsored etc. Within the intake capacity

- SC: Scheduled Caste (15% of intake capacity)
- ST: Scheduled Tribe (7.5% of intake capacity)
- D: Defense (5% of intake capacity)
- PH: physically handicapped (3% of intake capacity)
- S: Sponsored (15% of intake capacity)
- F: international students (5 seats in each course within the intake capacity)
- Over and above the intake capacity
- K: Kashmiri Migrants (2 seats per course over and above the intake capacity)

SYMBIOSIS INSTITUTE OF INTERNATIONAL BUSINESS (SIIB)
[FORMERLY SYMBIOSIS INSTITUTE OF FOREIGN TRADE]

Introduction

Symbiosis Institute of International Business, established in 1992 is one of the top rated Business Schools in the country. It provides a strong academic foundation, overall personality development and has a strong track record of 100 % placements. SIIB's mission is to prepare well-balanced, socially conscious professionals for the corporate world.

SIIB Courses are approved by AICTE.

SIIB is the first autonomous Institute in India to be accredited by the prestigious NAAC [National Assessment and Accreditation Council] set up by UGC.

International Affiliation: SIIB has signed MOUs with International Universities for the purpose of Faculty and student exchange programs and research.

An annual feature of our International Business programme is a visit to the Bremen University of Applied Sciences for four weeks in summer where select students are exposed to international business practices in Europe.

As a part of our tie up with Oakland University – School of Administration at Michigan, USA, and Faculty from both institutions has conducted full – fledged courses on reciprocal basis. A student exchange programme is also a part of this tie - up

Infrastructure

SIIB has good academic facilities with full time and visiting members having both professional and academic experience. The Academic Block has spacious modern classrooms, Conference Halls, Discussion Rooms, Fully equipped computer lab, Internet connection and an excellent library having access to more than 20,000 books, 200 journals and 1800 CDs on a wide variety of Management subjects.

There is a separate hostel for boys and girls along with mess, canteen, swimming pool and a state of art health club providing facility of Gym, Aerobics, Yoga and Meditation, which are all a part of the curriculum.

Courses

- ❑ Post Graduate Diploma in International Business Management [PGDIBM]

(Intake 120 students):

This 2-year full time residential course of SIIB has the combined advantage of a General Management education along with a focus on International Business Management. In the 2nd year students do a regular specialization in Marketing, Finance, HR or Supply Chain Management covering both the domestic and international aspects.

Eligibility: A graduate (12 +3) from any statutory University with a minimum aggregate of 50 % at graduation level. Candidates passing degree examination by part time / correspondence or in one sitting are not eligible. Final year appearing students can apply but their admission will be subject to obtaining a minimum aggregate of 50 %.

Method of Instruction: The design of the course is rigorous requiring intensive application. Continuous evaluation, emphasis on self study, numerous projects and presentations and deadlines for assignments ensure that time management skills are developed. There is a fine blend of theoretical and practical inputs through faculty drawn from Industry, to ensure that students are perfectly industry - ready in their chosen functional areas. Industry professionals carry out special workshops and guest lectures on a weekly basis.

The programme is further strengthened by mandatory two-month full time summer training at the end of first year.

❑ **Post Graduate Diploma in Agribusiness Management [PGDABM]**

(Intake 60 students)

PGDABM (2 year full time residential) is a leading course in Agribusiness which trains students in the commercial aspects of Agriculture so that they are trained to work as professionals in companies or to start their own Agribusiness units.

Eligibility: a) A Graduate in Agri Sciences or Agri related discipline from any statutory University with a minimum aggregate of 50 % at graduation level. Candidates passing degree examination by part time / correspondence or in one sitting are not eligible. Final year appearing students can apply but their admission will be subject to obtaining a minimum aggregate of 50 %. OR b) Non Agri graduate with minimum 50% marks having a strong interest / work experience in agriculture / agribusiness.

Method of Instruction: The PGDABM course equips the student with management techniques that enable him to make rapid strides in the world of agribusiness. The first year has courses in Marketing, Finance, Logistics and General Management. The second year of the program exposes the student to specific and more evolved areas of agribusiness such as commodity trading, agri exports and procurement etc. The programme is further strengthened by mandatory two-month full time summer training at the end of first year.

How to Apply

Appear for SNAP Test on Sunday, 17th December 2006.

For SIIB, register online through our website www.siib.ac.in

Last date for receipt of application is Saturday, 6th January 2007.

SYMBIOSIS INSTITUTE OF MANAGEMENT STUDIES (SIMS) (FOR DEFENCE PERSONNEL & THEIR DEPENDENTS)

Introduction

Welcome to the Symbiosis Institute of Management Studies (SIMS). SIMS is an autonomous institute established by the nationally renowned Symbiosis Society which has an MoU with Govt of India under which admission to its fulltime programmes is primarily for dependents of Armed Forces Personnel, with few open seats for industry sponsored students and Service Personnel on Study Leave.

SIMS is an AICTE approved institution and is an ISO 9001: 2000 quality systems certified business school. It has applied for induction into the UGC University structure.

Faculty

Fulltime permanent and adjunct faculty, working managers, entrepreneurs, consultants, all with outstanding academic qualifications and expertise in their respective fields, are members of the teaching body. Thorough professionals, they bring their unique points of view to the classroom, work closely with students and make the learning environment industry responsive and thought provoking.

Programmes Offered

The full-time 2 year courses offered include four Post Graduate Diploma (PGDM) specialisations in the Dual stream (Marketing & Finance / Operations / Systems), PM & Human Resource Management, Information & Communication Technology and International Business. Part-Time Post Graduate Diploma courses for working students are conducted in Personnel Management, International Business, Business Management, Operation & Supply Chain Management and Financial Management.

Corporate training programs, executive management programmes for corporates and armed forces personnel and resettlement programs for armed forces personnel are regularly subscribed to.

Programs on Entrepreneurship and Corporate Governance for corporates are offered.

Curriculum

The integrated lock-step curriculum of SIMS spreads over 2 academic years and is divided into 4 semesters. All courses follow a similar design to ensure that the academic inputs for each course are adequately complemented with practical inputs from the corporate world. The courses offered in the program are practice oriented with emphasis on application of principles, tools and concepts to meet challenges and problems faced in today's organizations. The courses are carefully designed to impart students a managerial perspective in formulating and implementing corporate business strategy and operations. Students learn to take decisions critically and analytically, taking into account the business considerations and ethical implications of these decisions.

Programmes

□ PGDM (DUAL)

The two-year full time program is designed to provide a strong foundation in operational facets of management. It allows twin areas of specialization Marketing/Finance/IT/ Operations.

□ PGDM (PM & HR)

It is a two-year full time program that prepares the students with skills, knowledge and strategic perspectives that are essential in effective management of people resources. This program provides the student with in-depth knowledge of current HR practices and industrial relations.

□ PGDM (Information and Communication Technology Mgmt)

The two-year full time program is designed to provide both functional skills in management and in depth exposure in dual fields of Telecom and IT. This program prepares students with the skills, knowledge and future perspectives that are essential to manage Telecom/Communication and IT businesses.

□ PGDM (International Business)

The two-year full time program is designed to provide both functional skills in management in the field of International Business and in fields of International Marketing, International Logistics and International Finance etc.

Additional Qualification An additional benefit is the incorporation of an external university Masters degree as per course specialization from Pune University and Symbiosis Deemed University presently.

Orientation Program: Initiation to a B-School

Spanning across 15 days, the SIMS orientation program "Launchpad" is designed to prepare every new batch for the rigors of B-school life. An intensive own time aided pre-course program precedes it.

Placements

Blue chip corporates regularly recruit from campus. 107 companies visited campus for batch of 2006.

Average Salary	-	Rs. 5.2 Lacs p.a.
Highest International Offer	-	Rs. 12.0 Lacs p.a.
Highest Domestic Offer	-	Rs. 14.0 Lacs p.a.

Infrastructure

SIMS is equipped with 'best-in-class' facilities required in a contemporary Business school. The academic block conspicuous by its blue-green dome is the hub of educational and brain storming activity. The block houses well-designed and fully equipped classrooms for intimate class interaction besides discussion and audiovisual rooms. The modern air-conditioned auditorium can seat up to 400 people while for smaller gatherings there are the EDP and air-conditioned Conference Halls.

The entire campus is Wi-Fi networked with Internet broadband connection. Batch interaction is a key learning experience at a Business School and SIMS has fully furnished residential hostels for students with full catering facilities. We have an on-campus Guesthouse for faculty and relatives of students. The Symbiosis Institute of Health Science runs a fully equipped fitness club on campus.

Eligibility

The eligibility criteria for admission to SIMS is 50% or more marks in graduation through fulltime program, with 15 years of education through 10+2+3 or 10+2+4 mode with English as the medium of instruction from AIU/AICTE approved university. Candidates completing their final examinations of bachelor's degree by 30th June 2006 can also apply provisionally.

How to Apply

STEP 1: Apply & appear in SNAP Test 2006. Please refer to guidelines in SNAP Bulletin.

STEP 2: Procure copy of Prospectus of SIMS for 2007-2009 batches. Prospectus with application form is available from *Admissions Department, SIMS* on payment of Rs.1, 100/- by bank draft payable at *Pune* in favour of '*Director, SIMS*' (Rs.1, 150/- by courier). Prospectus available from 1st September 2006.

STEP 3: Apply for admission giving SNAP ID no. For PGDM program at SIMS. Application form can also be downloaded directly from SIMS website: www.sims.edu

SYMBIOSIS CENTRE FOR MANAGEMENT AND HUMAN RESOURCE DEVELOPMENT - SCMHRD

Introduction

Established in 1993, as a part of the Symbiosis family, Symbiosis Centre for Management and Human Resource Development has strived to bring Indian ethos, management concepts and technological advances together in an effort to redefine the management paradigm in the new age. Recognized as a *CRADLE OF INTELLECT*, SCMHRD has chartered a course of evolving as a knowledge and value creation institute. We work on the platform of Leadership Entrepreneurship, and have shifted to Self Learning platform.

SCMHRD is an AICTE recognized and an ISO 9001: 2000 certified institute. Our aim is to satisfy your thirst for knowledge. Our permanent faculty will partner with you for the basic theory, fundamentals and developments. Our visiting faculty will share their experience and advanced learning concept. We create an environment where you are inspired to learn, since we wish to move away from teaching. We shall make you learn. We believe in helping students become effective leaders, who can achieve results that have the potential to transform organizations. We work towards developing a global mindset, so that future managers can address the challenges of global competition.

Technologies like SAP, Oracle etc. will make you a platform user. Our non-academics will create values in you; ensuring you work from a platform of "Discipline", making you very humble and accessible, and our social activities will create a sense of belonging in you. You will have a tough time here but you will also have fun and remember the institute all through your life.

Our Vision

To become a Centre of Excellence for global leadership and learning – setting the standards by which others are measured.

Our Mission

To create leaders and entrepreneurs of tomorrow, their dedication to excellence, absolute.

World Class Infrastructure

- The library is equipped with 'LIB. Suite - Library Software'. It has an e-learning facility and is home to around 20,000 books, CDs, journals and magazines
- The reading room facilitates quiet self-study
- The classrooms are computerized with Internet and LCD-projection facilities
- There is a separate space for group work with independent audio visual equipment
- The computer lab has 150 computers which are networked and also have Internet access
- A SAP Lab, where the students learn 'My SAP Business Suite', is also available

Placements

A total of 300 offers were made to the 228 students who participated in the placement process of the class of 2006. The students were placed across 66 companies. This year, for the first time, SCMHRD had a dedicated Laterals-week during which companies came in to recruit people who had prior work experience. This was an astounding success with several first time recruiters participating in the entire process. The highest salary and the average salary for the year 2006 were 12.5 Lacs and 6.75 Lacs respectively. The average salary recorded an increase of 28.5% over the previous year.

The good work was carried forward during the summer placements for the year 2005-06. This year SCMHRD saw record-breaking trends with the highest participation from FMCGs.

Programs offered

Post Graduate Diploma in Management (PGDM – AICTE approved Two year full time residential program)

Executive Post Graduate Diploma in Management (Ex-PGDM – AICTE approved evening program for working professional)

Facilities on Campus

Hostels: Residential facilities for all the students. Each room has an attached bathroom with all the modern amenities. Separate accommodation is available for male and female students.

Cafeteria & Mess: A multi cuisine and fast-food cafeteria caters to the needs and tastes of the cosmopolitan student community. The mess serves hot and nutritious meals and has a capacity to host 500 students.

Gymnasium/ Aerobics/ Yoga: The campus has a state-of-the-art gymnasium, equipped with the latest workout machines of international standards. The institute also has Yoga and Aerobics classes on

campus. Qualified instructors are present to help the students reap the maximum benefit out of these holistic development activities.

Swimming Pool: The campus has a well-maintained swimming pool, with trained professionals in-charge. Coaching facilities are also available.

Auditorium: The campus has a modern auditorium for national and international seminars and campus events

Health Care: Excellent Health Care and Medical Facilities are available on campus. The Symbiosis Institute of Health Sciences (SIHS) runs a state-of-the-art health care centre on the campus. The centre can arrange for expert attention and consultants as required. Every student is insured under the Medclaim & Road Traffic Accident Policy. Qualified instructors are available on campus for health activities, which forms a part of all round development of the individual.

General Stores: A convenience store on campus provides the students all the necessities at nominal rates.

Other facilities on campus include: • Audio-visual room • Laundry service

• Communication centre • Departmental store.

Eligibility

A graduate from any statutory University with a minimum of 50% marks at graduation level. Candidates passing degree examination by part time / correspondence course, or in one sitting are not eligible. Final year appearing students can apply but their admission will be subject to obtaining a minimum of 50% marks.

SYMBIOSIS INSTITUTE OF TELECOM MANAGEMENT (SITM)

Introduction

Realizing the opportunities and needs of the new economy, Symbiosis Institute of Telecom Management (SITM) was established in the year 1996. We are the pioneers in the field of Telecom Management education in the country and Asia. We focus on three basic components Management, Telecom and Information Technology to develop world class Telecom Business Leaders who can manage technology efficiently.

Ever since its perception, SITM has achieved 100% Placement, which bears testimony to its position in the industry. Our alumni have been making their mark in the industry as Technical and Business Consultants, Network Implementers, Project Leaders and Business Development Executives.

SITM has been accorded AICTE approval.

Vision

To develop world class Telecom Business Leaders who can handle the ever-changing Technology and the Business Scenario effectively at all levels of the corporate ladder. More importantly, to instill human values to make better citizens.

Infrastructure

Library: The institute has a well-stocked library with pleasant interiors. It is fully digitalized with a terminal for accessing library catalogue. It also has OPAC (On line Public Access Catalogue), which enables students to access library data from any computer in the Institute.

Lab: SITM has the latest state-of-the-art IT Infrastructure with a Software Lab and a specialized Network Lab with a 512 kbps, wireless broadband leased line, and 24 hour Internet Connectivity.

SITM has a specialized CISCO Lab where students can experiment with network operating systems and perform network related practical assignments. Going further beyond the mandate and to add more value to the course. SITM has signed up with CISCO for an academic partnership in the CNAP program. The entire CCNA program is thus incorporated into the Systems Specialization.

Canteen: The campus has an all day canteen with mess facility, which caters to the various tastes and budgets of the students.

Club: SIHS is an in house health care center exclusive to the staff and students of various institutes of Symbiosis. SIHS provides an in house, modern state of the art health club and fitness center with a view to facilitate a holistic development of the mind and body for an all round development of the students. Training facilities for strength, endurance, flexibility and cardiovascular fitness including Yoga and Meditation will be provided in customized capsules suited to the unique requirements of the students in conformation with their academic curriculum.

Hostels: The institute does not provide hostel facility at present. However five girls are accommodated in the Symbiosis Vishwabhawan Hostel, which is about 2 kms away from our campus. Besides the senior students support the freshers to find out suitable accommodation. The institute also provides a data bank of flats and hostels in the vicinity of the campus.

Programmes

SITM offers a two year full time (autonomous) Post Graduate Diploma in Telecom Management (PGDTM) with dual specialization in Marketing & Finance and Systems & Finance.

Career prospects and placements

Our alumni are working as Business Development Managers, Consultants, Marketing Heads, Country Managers, Project Leaders, Account Managers and Business Analysts in leading Indian companies and MNCs like Ernst & Young, Mckinsey Accenture, TCS, Infosys, Wipro, Tata Teleservices, Reliance Infocomm to name a few.

We have achieved 100%placements since inception. Last year our Placements were over on Day One itself and the average salary offered was Rs.4.64 lacks. Placements happen across all verticals of the Telecom Industry and IT like Telecom consulting, IT Consultancy, Network Integrator, IT security, Cellular Service Provider, Equipment Vendor, ILD, ISP & Billing.

Eligibility

The minimum requirement for admission is a Graduate Degree in any discipline from a recognized University with a minimum of 50% marks in the qualifying examination. Final year students are also eligible to apply.

SYMBIOSIS CENTRE FOR INFORMATION TECHNOLOGY (SCIT)

Approved by AICTE

Creating Strong IT minds

Introduction

SCIT was established in 1999 when IT industry was booming and a need was seen as that of providing post graduate IT education for developing quality IT professionals to drive the Indian economy. It was also identified that an institute needs to be so equipped as to respond to dynamic IT scenario that was vibrant and also volatile. Since then it has grown progressively and earned wide acceptance of the IT industry, students, parents and all the stakeholders and is approved by AICTE. **SCIT** is assessed and accredited by **NAAC**, "National Assessment and Accreditation Council" a body set up by UGC.

Curriculum

SCIT curricula include management & technology foundation, current technology and current industry practices that make a graduate fit into the IT industry appropriately. SCIT focuses on learn-ability, adaptability-to-change and hands-on experience to face industry challenges.

Mission

SCIT is engaged in pursuing its mission "of remaining the outstanding provider of continually evolving market responsive IT education and creating proactive IT professionals dedicated to excellence, who deliver innovative solutions that improve the performance of their organizations".

Infrastructure

SCIT is located in Rajiv Gandhi Infotech Park, Hinjewadi, **Pune** and is surrounded by some top corporate establishments like Wipro, Infosys and Tata Technologies amongst others. SCIT is also scheduled to open a residential campus in Electronic City, **Bangalore** from June 2007.

The Pune campus has over 1000 network connections and the network is built on high performance Gigabit Ethernet backbone on optical fiber cable with Internet & WIFI connectivity.

The facilities on campus include:

*Separate hostels for boys and girls*Multi-cuisine cafeteria and mess*State-of-the-art gymnasium*Yoga and Aerobics center*Well-manned swimming pool*Auditorium for seminars and campus events*A communication center*A general store*24-hour security service* SBI ATM

Library: SCIT has modern library facilities with more than 5000 books, national and international journals, CD ROMs, CBTs and software on technology and management.

Multi-platform Computer Labs:

- **Sun ONE Lab**
- **Linux Lab**
- **IBM/Microsoft Lab**
- **'Proof of Concept' lab**

Health Care Centre

The Symbiosis Institute of Health Sciences (SIHS) is an in house Health Care Centre exclusive to the staff & students of the various institutes of Symbiosis. Each student is insured under the Medi-claim & Road Traffic Accident Policy.

SCIT Placements

SCIT has had 100% placement year after year. SCIT graduates have been recruited by the top notch IT companies like GE, IBM, Oracle, Wipro, Technologies, Patni Computers Systems Ltd, Tata Consultancy Services Ltd etc. and Consulting firms like E&Y, Capgemini etc.

SYMBIOSIS INSTITUTE OF GEOINFORMATICS (SIG)

Approved by AICTE

Introduction

Geoinformatics is the scientific conglomeration of application of technologies, such as Remote Sensing, Geographical Information System (GIS), Cartography, Photogrammetry and Global Positioning System (GPS). Symbiosis Institute of Geoinformatics unleashes a virtually limitless potential for successful careers in the corporate sector, through a range of exciting applications of Geo-spatial technology. With every passing day in the modern world, Geoinformatics is finding a burgeoning market through wide ranging applications in diverse fields in the corporate sector. SIG's 2 year Master's Programme aims to train and empower professionals for analytical decision making and meet the high demand for skilled manpower in challenging fields such as utility enhancement, eco-monitoring, town planning, resource management and e-governance to name a few.

Vision

To create a professional human resource in the field of Geo-spatial Technology; equipped with IT and information Management skills to cater to the global Geoinformatics industry requirements.

Mission

To impart rigorous training in Geoinformatics encompassing GIS, Photogrammetry and Remote Sensing Lay special emphasis on industry requirements such as AM/FM, vehicle tracking, E-Governance and Spatial Decision Support Systems.

Enable students with additional IT and Business management skills leading to an elevated career profile. Provide industry exposure through extensive project work matching global expectations. Provide contemporary training abreast with the latest technology trend. Infrastructure is envisaged, based upon the critical analysis of the industry needs. Laboratory equipped with state-of-the-art computing facilities such as

Powerful computers in network environments with large monitors, Server for centralized resources management and Internet facilities for worldwide literature referencing.

Software and specialized equipment procured includes mostly preferred GIS software's, Image Processing software's, Photogrammetry software suits, Global Positioning System, Programming tools, Light tables of satellite image interpretation A well-established library facility with books on a variety of subject is available for use of the students. The number of the books would go up with addition of newly introduced books in these new subjects in the market every year.

A well-established hostel and canteen facility centrally established by the Symbiosis Society is available for use of the students. Students from SIG are offered limited seats by the Society. The seats are allotted on first come first serve basis.

The Symbiosis Institute of Health Sciences (SIHS) is an in-house Health Care Centre exclusive for staff and students of Symbiosis. Each student is insured under Medi-claim and Road Traffic Accident policies. SIHS also has a modern state-of-the-art health club and fitness center to facilitate all round development of the students.

Programmes Offered

□ Two years full time PG Master's Programme in Geoinformatics

This programme is approved by AICTE.

Placement

The first batch has had 100% placement. Leading GIS companies who visited SIG for the campus interview and placement included Cybertech, ESRI, RMSI, Reliance, Geophini, Simplex Technologies, SPECK systems, Kalyani Net Ventures and Lavasa Corporation to name a few.

Career Prospects: SIG has designed the course based on in-depth discussions with industries, academicians and extensive study of websites hosting job requirements of Geoinformatics industry. Giant corporate sectors have further enhanced applications of Geoinformatics to cater to the requirements of government and public sectors. Few prominent names in GIS industries functioning in India are ESRI (NIIT – GIS), Reliance Digital World, Rolta India Ltd., RMSI Ltd., Intergraph, Tata Consultancy Services, Patni Computers Ltd., Erdas India, Siemens, Oracle Inc., L&T, Satyam, Hughes Tata Infotech and so on.

Eligibility

Graduates or Post Graduates in Science, Agriculture, Engineering, Information Technology, Computer Science, Management and Commerce with 50% marks in graduation. Final year students awaiting results may also apply.

Intake

65 students + 15 industry sponsored students

SYMBIOSIS INSTITUTE OF OPERATIONS MANAGEMENT - SIOM

Introduction

SIOM is a B- school with a difference. It realizes that excellence in the management of business operations and technology provides a competitive advantage in today's fast paced business environment. Dedicated focus on Operations Excellence in how SIOM differentiates itself from other business schools. It strives to develop and canalize the skill sets of the aspiring students, so that they mature into proficient Techno-Business Managers, adept at tackling the complexities of the industry.

Mission / Vision

To deliver the Managerial Competencies of broad based Knowledge, Multi-disciplinary Skills and positive attitude to diverse Industrial & Business Sector on sustainable basis.

To achieve this we will Develop SIOM into a world-class center of excellence in Operations Management. Contribute in dissemination of academic and applied knowledge Provide avenues for intellectual, emotional & social development of students.

Create partnerships, nationally and internationally, with the Industry, Industry associations and other developmental institutions. Impart intense professionalism and citizenship values in thought and practice amongst the students Provide extension programs to the Industry and businesses to improve their performance through consulting and management development services.

Infrastructure

The library & information centre (LIC): - The LIC has one of the finest collections of latest management publications. The library also subscribes to a host of online data bases like prowess, business beacon. The library houses a wide range of resources. It includes around 7000 books, 104 Periodicals, 10 Newspapers, 105 Videocassettes, Photograph Albums, 498 CD's and Floppies, Annual Reports of Companies, Numerous case studies and HBR Bound Volumes (since 1984). These are in addition to almost twenty text books supplied to each student as personal copies for hostel reading. This makes a mini reference library in each hostel room. Reading room facility is available till mid-night. The library is on its way to refinement where the information can be accessed via the Internet and students can search for books, reserve them and get them reissued online.

Computer Lab:- Two computer labs housing a total of 90 computers and network with dedicated 24 hours leased line internet facility are available to students. The common lab with printing facility is open till mid-night. The hi-tech lab is specially suited to the requirements for SAP (Modules PP, MM, SD, FICO, SCM) and other specialized software training like Ms-Project 2000, SPSS etc.

Gymnasium and sports:- The campus is equipped with facilities like workout stations for Exercise enthusiastic and also numerous outdoors and indoor games.

The Medical Centre: - The Symbiosis Centre for Health Care (SCHC) provides a resident doctor and full-fledged medical care centre for the students. Annual medical check-ups are done. Every student is insured under Mediclaim with a cover of Rs. 25000/- for hospitalization and Rs. 100000/- for Road traffic accidents. Preventive, primitive and curative health care for all students and staff of Symbiosis is managed by SCHC

Classrooms:- Classrooms are ergonomic and well quipped with audio-visual teaching aids.

Hostels:- Separate Hostels for Boys and Girls with attached toilets and bathrooms, 24 hours hot and cold water facility and furnished with a cot, mattress, table, chair, cupboard and book rack are available. Staying on campus is mandatory.

SYMBIOSIS DEPARTMENT OF HEALTH SCIENCES (SDHS)
Constituent of SIEC, Deemed University

MBA (Hospitals & Healthcare)

Introduction :

Symbiosis Department of Health Sciences (SDHS) is a proud member of the prestigious Symbiosis International Educational Centre (SIEC) Deemed University. A pioneer in the field of Health education, SDHS has conceptualized & implemented a group of professional up-gradation programmes meant to equip the healthcare professional with the appropriate tools in order to survive this age of fierce competition and specialization. Besides having excellent faculty for the didactic component, hands on practical training for all programmes is provided at leading tertiary care hospitals of the city. The SDHS encourages a symbiosis of thought, word & action of all such professionals who would address the all-important issue of health in its totality. Through its unique, innovative, career oriented programmes, SDHS plans to raise a cadre of professionals who would ensure delivery of optimum health care services.

Infrastructure :

Auditorium: The in-house facilities include a 600-seater modern auditorium and a modern conference hall at Vishwabhavan.

Classrooms: - Lecture rooms are well equipped with the latest audiovisual facilities.

Library: All students will be provided library facilities consisting of relevant course material, reference books, CDs etc.

Multi Cuisine Cafeteria: An all day cafeteria ensures refreshments for busy minds.

Accommodation: Limited accommodation for out station students (Ladies & Gents) can be arranged at the Symbiosis Hostel on first come first served basis.

Health care & Health club facilities : The Symbiosis Centre of Health Care (SCHC) is the in-house Health Care unit exclusive to the staff and students of the various institutes of Symbiosis. The SCHC has a team of specialist doctors present throughout the day. Out patient treatment is provided to the students by the medical officers of SCHC. The Symbiosis Health Benevolent Fund (SHBF) is the first of its kind cashless medical insurance scheme for staff & students, to have been introduced in the entire country. It provides for zero hour support in case of medical emergencies.

The SCHC also provides an in house modern health club and fitness centre with the view to facilitate a holistic development of mind and body for an all round development of our students. Training facilities for strength, endurance, flexibility and cardio vascular fitness including Yoga and Meditation are provided in customized capsules suited to the unique requirements of the student population in confirmation with their academic curriculum. The centre also arranges seminars & health education workshops.

The centre thus provides preventive, promotive and curative health care services with a view to ensure positive health to all members of the Symbiosis family

Programmes offered: MBA (Hospitals & Healthcare)

Duration: 2 year full time

About the programme: The two year full time MBA programme in Hospitals & Health Care is aimed to develop in depth knowledge, skills and abilities in a group of potential hospital and health care delivery management professionals who will be able to obtain managerial positions in public, private, NGO and charitable organizations and partnerships involved in delivery of health care in India and abroad.

Placement: The SDHS Placement Cell will assist all students to obtain employment in respective industries which include hospitals (both in the private & public sector) NGOs, Health Insurance, IT .

Method of Instruction: The programme aims at adopting a synergistic blend of academic knowledge and practical intricacies of the field to train professionals to undertake a wider range of administrative and managerial responsibilities within the healthcare organizations with real time inputs from all partnerships in the healthcare delivery system in India & abroad.

Career prospects etc. With the rapidly growing healthcare sector the need for managing hospitals &

healthcare establishments professionally has become even more acute. With increasing emphasis on quality of health care, cost effective utilization of resources and patient satisfaction there is a tremendous need for persons with a professional qualification in Hospital & Healthcare Management. Thus there are challenging job opportunities in medical institutes, hospitals, nursing homes and NGOs operating in the health care sector as also in the Insurance, IT and Pharmaceutical sector.

Eligibility : Graduate from any stream with minimum 50% marks.
